

DIARY NOTES

DD/S

21 March 1957

25X1A9a [redacted] along with Gates and me, made a brief
25X1A6a presentation to General Cabell on additional emergency relocation sites. The gist of
25X1A6a the presentation was that we would retain [redacted] as our prin-
25X1A6a cipal headquarters but would attempt to make arrangements to have other parts of the
Agency located at [redacted] After some consideration we decided
to abandon [redacted]
will be located. We felt that the county could not absorb both and that it would be bet-
ter for us to locate elsewhere; otherwise General Cabell approved.
